

PETITION

To Stop the Wynne-Levin Sex Ed Program

Kathleen Wynn's radical sex-ed program was created with her Deputy Minister of Education, Ben Levin, who is charged with production and distribution of child pornography.

The program contains radical six-gender teachings about sexuality, as well as teaching about masturbation in Grade 6 and oral and anal sex in Grade 7.

Kathleen Wynne promised to reintroduce the sex-ed program when she became the Premier of Ontario - the same sex-ed program that was rejected by Dalton McGuinty in 2010 after immense public pressure.

We, the undersigned, call for Premier Wynne to stop corrupting our children with this radical, misinformed, harmful teaching.
